

About Us

Personal Enrichment through Mental Health Services (PEMHS) has been committed to providing care in crisis since 1981. Our dedicated staff, and comprehensive range of programs are designed to meet the needs of children, adults and families with the goal of building strong communities. PEMHS is a private, non-profit behavioral health care organization located in Pinellas County, Florida. Programs include a 24-hour suicide hotline, emergency screening and crisis intervention services, inpatient services for adults and children, residential services for children and community based programs. We understand that high quality services are necessary to obtain the best outcome for individuals and families facing behavioral health issues. PEMHS is licensed by the Florida Department of Children and Families and by the Florida Agency for Health Care Administration. PEMHS is also certified by the American Association of Suicidology and is accredited by the Commission on Accreditation of Rehabilitation Facilities (CARF).

IMPACT TEAM

What is IMPACT Team?

The IMPACT Team as a group of professionals dedicated to crisis intervention, diversion and care coordination. The Team addresses the overall well-being of adults through assessment, safety planning, individualized service planning and linkage with resources designated to improve their quality of life.

IMPACT TEAM MAY BE ABLE TO PROVIDE YOU WITH FINANCIAL ASSISTANCE THROUGH THE CFBHN VOUCHERING PROGRAM. CALL 727.362.4435 FOR MORE INFORMATION.

Goals of the IMPACT Team:

- Reduce the number of Inpatient Crisis Stabilization Treatment admissions
- Provide supportive mental health services in the least restricting setting
- Provide rapid solution-focused services to reduce and prevent a crisis situation
- Connect individuals with long-term services that promote a pathway to a sustainable stable life and self-sufficiency

Services offered:

Assessment and Safety Plan - A preliminary assessment is completed upon intake to assess the client's current treatment needs, treatment history and recommendations for crisis resolution. A safety plan is also developed to identify the client's needs for safety and mental health well-being. Suggested actions are made to ensure the client's successful transition to outpatient services.

Care Management - A variety of services shall be offered to assist the client in crisis resolution and enhance self-sufficiency. Services are for a limited time. They are delivered at times and locations that allow for maximum participation. These services generally occur within thirty days which include, but are not limited to:

1. 24/7 Rapid Response for mental health crisis situations.
2. Connecting and linkage to community mental health, substance abuse and financial assistance to ensure community sustainability.
3. Referrals to shelter, employment, food and clothing.
4. Ongoing safety planning.
5. Client advocacy.
6. Regular follow-up contact to ensure the well-being and safety of the client for continued community stabilization.

Referral Process:

Referrals are primarily accepted through Personal Enrichment through Mental Health Services (PEMHS) and Emergency Services and Central Florida Behavioral Health Network (CFBHN).
