

## About Us

Personal Enrichment through Mental Health Services (PEMHS) has been committed to providing care in crisis since 1981. Our dedicated staff, and comprehensive range of programs are designed to meet the needs of children, adults and families with the goal of building strong communities. PEMHS is a private, non-profit behavioral health care organization located in Pinellas County, Florida. Programs include a 24-hour suicide hotline, emergency screening and crisis intervention services, inpatient services for adults and children, residential services for children and community based programs. We understand that high quality services are necessary to obtain the best outcome for individuals and families facing behavioral health issues. PEMHS is licensed by the Florida Department of Children and Families and by the Florida Agency for Health Care Administration. PEMHS is also certified by the American Association of Suicidology and is accredited by the Commission on Accreditation of Rehabilitation Facilities (CARF).

### BUILDING STRONG FAMILIES:

A Financial Literacy support program for families in need of continued sustainability strengthening and effective community resource and service linkage; Families must be Pinellas County residents and have school aged children. It is a partnered approach and Families are required to participate in monthly Financial Education; the program is funded by the Suncoast United Way. Referrals are received directly or from social service providers in the community.

### FAMILY SERVICES INITIATIVE System Navigation:

FSI is a collaboration between four major partner agencies: Juvenile Welfare Board, 211, GCJFCS, and PEMHS; it is a base to a wider service delivery System of Care comprised of community service providers, the Faith-Based Community, and the Pinellas County School system. FSI System Navigation is a prevention service, providing families the right service, at the right time; resulting in barrier reduction for effective service and resource linkage. FSI System Navigation provides support and wrap-around services to meet a family's identified basic domains of need, and to assist in the strengthening of their overall sustainability, and their successful anchoring within our community. Funding is provided by JWB and Referral is through 211.
