ABOUT OUR PROGRAM

H.O.M.E. Navigation provides intensive wrap-around case management that focuses on decreasing the at-risk behaviors of juveniles involved with the Department of Juvenile Justice, as well as strengthening the overall sustainability of their families. This results in the greater stabilization and safety of the family and juvenile within the community. Our goal is to reduce barriers, provide linkage to services, and strengthen families in a variety of domains.

ELIGIBILITY AND REFERRAL

- Juveniles, and their families, residing in Pinellas County, with five or more felonies, and or those on the high offense list, as identified and referred by the H.O.M.E. Taskforce
- Direct referrals from HOME Taskforce or the juvenile's JPO
